Hard-Skills

- HTML-CSS
- JavaScript
- Python
- SQL/NoSQL
- Bootstrap
- Django
- Flask
- FastApi
- Reactjs
- Docker
- AWS
- Linux
- Git
- MySQL
- PostgreSQL
- Rest-APIs

Soft-Skills

- Teamwork
- Hard Discipline
- Leadership
- Effective Communication
- Honest
- Perfectionist
- Proficient English

Profile

I am a self-taught Full-Stack Python Developer, rational, committed to achieving goals at all costs, disciplined and hard-working, I like to learn from projects and work as a team. Likewise, I'm constantly growing and learning from anyone and anywhere.
